### End of Life and Discontinuation Policy

QuickBooks Payroll support has been a trusted accounting solution for millions of small and medium-sized businesses. However, Intuit has officially announced that QuickBooks Payroll Support End of Life and online support will be discontinued on May 31 2026. Following this critical deadline, all updates, Payroll services, and dedicated customer support for this version will cease permanently. This discontinuation directly impacts your ability to process Payroll accurately and maintain compliance with current tax regulations. Understanding this transition is essential to prevent significant disruptions to your accounting operations and financial workflows. For immediate guidance and assistance, call 1-866-453-(8033).

### What Does the Discontinuation of QuickBooks Payroll Support Mean? The

announcement of QuickBooks Payroll Support End of Life Discontinued means:

End of Automatic Updates – QuickBooks Payroll Support will no longer receive automatic software or security updates.

Payroll Services Termination – Payroll services, including tax table updates, will stop after discontinuation.

Customer Support End – Intuit support for QuickBooks Payroll Support will no longer be available.

Security Risks – Without updates, the software becomes more vulnerable to security threats.

Businesses should start planning their upgrade strategy now to prevent interruptions. Experts recommend creating secure backups of all company files before discontinuation.
